

Health and Safety Rules

Clifton Park Community Church, 516 Moe Road, Clifton Park, NY

Due to New York State concerns over COVID-19, CPCC will observe the following rules for our gatherings. Please become familiar with them, share them with your family, and take them seriously.

1. Do not come to CPCC if you are ill or suspect you have a cough or cold. Do not feel compelled to attend CPCC if you are in a high-risk category for COVID-19.
2. Wash your hands thoroughly as you prepare for church, and wash your hands at the church as needed. Soap and water are great defenses.
3. Please **wear a face mask** as you are arriving & leaving the church, and keep it on as you move about, until you (and others) are safely seated in the sanctuary.
4. No handshaking at CPCC — smile and greet one another without touching.
5. Observe physical spacing of 6 feet while at CPCC; stand apart, giving others a bit of personal space too. **Parents, please explain these rules to your children.*
6. Singing — we will be singing during worship, and there will be a *designated area* (in the back of the sanctuary) for *non-singing* worshippers.
7. During the service we will NOT be passing the offering plates from person to person; they will be set out at the rear of the sanctuary to receive your offerings.
8. No nursery care will be provided.
9. On Communion Sunday, the serving procedure will be altered to limit contact.
10. There will be no “coffee time” (no food or drinks served) after the service. You can still enjoy conversations in Fellowship Hall as you maintain physical spacing.
